## IMPORTANT BUILDING INFORMATION

**Congratulations:** To Jen Roberts and Dave Fowle on the July 10 arrival of their daughter, Camryn Elizabeth. Camryn has already attended her first meeting in MRB. A geologist in the making.

**Keys:** We've exhausted our supply of lab/office keys that "came with the building." Additional keys will require a deposit of \$5.00. As keys are turned in, your account will be credited.

**Roadwork:** For the next few weeks, the intersection at Constant Avenue and Becker Drive will be closed. Access the MRB lot via 21st street

Postage rates are now .41.

Look for some new, exciting artwork to arrive sometime in the next few months at MRB. Artists have been selected and their work will be displayed in our building soon!

**Please remember to let Carla, Ann or Teri know when summer students no longer need access to MRB. It is important to keep our security records updated.**

**Refrigerators are cleaned once a month, usually the last day of the month in the afternoon. PLEASE, take the time to mark items that you don't want discarded. Notices are placed on the refrigerators days prior to cleaning.**

**HAVE A SAFE SUMMER!**

**If you have questions on billing please see Carla. If you need to purchase items with a VISA card on your grant funds please see Ann.**

*Do you have any ideas or desires on a MRB social function? See Carla or Ann.*

**Conference rooms for group meetings are filling up quickly. Please contact Carla or Ann to get your group meetings schedule for the upcoming semester.**

Vendors have asked if they can set up vendor shows using our conference rooms. This is only allowable if you would like to represent or host a vendor. See admin for details.
